

JOHN P. MCGOVERN

Featuring guest speaker | Dr. Thema Bryant

Our 2026 John P. McGovern Endowed Lecture series in collaboration with African American Studies will feature world renowned psychologist, author and professor, Dr. Thema Bryant. During this lecture Dr. Bryant will be discussing how our mental health and wellbeing are not just individual aspects; our relationships, families and friends are core to emotional wellbeing. A short reception will follow the lecture. Beyond the classroom, Dr. Bryant's influence extends far and wide. Her role as the former president of the American Psychological Association in 2023 underscores her commitment to advancing the field of psychology and advocating for mental health equity. Dr. Bryant has reported with CNN, made guest appearances on Oprah Winfrey's podcast, the Dr. Phil Show, and present multiple TedTalks.
