Cougar Communication Groups offer speech and language therapy in small groups for preschool and school-age children.

Our program focuses on providing evidence-based therapy while acting as a training program for graduate clinicians in speech-language pathology. These sessions are supervised by licensed speech-language pathologists.

CCG program addresses:

- **speech sounds (articulation)**
- **language development (late talkers)**
- **social skills**
- **fluency (stuttering)**
- **voice**
- **autism**
