

UH Sociology Student Association
September 2022 Update

Last academic year, SSA hosted, co-hosted, or helped boost student engagement for 12 events. SSA has a leadership of 4 highly motivated officers who meet weekly to plan and coordinate upcoming events. SSA hosted events in a variety of modalities and locations to reach students' level of comfort and availability. A reboot was necessary after the pandemic, and SSA was highly active and responsive to students' input for planning events, coordinating with local organizations for volunteering, using resources available through the ASA, and engaging in cultural events around Houston.

Fall 2021:

1. **SSA Kick-Off Social:** hosted in person in the Werlin room in December 2021. Attendees: 16, and advisor
