

Educational Diagnostician Webinar FAQs

Question	Answer
What will be the cost of the new exam?	The new cost will be \$136.
Will there be an updated representative form?	Yes. We are working to release a prep manual 6 months prior to the first assessment date with updated representative and interactive practice tests 2 months prior to the first assessment.
Will there be a pilot run of the new exam?	There will not be a formal pilot like for the Principal assessment. We will field test questions. We will also be contacting current programs to participate in piloting opportunities. If you are interested in participating, please contact your program specialist.
Will programs need to submit a formal letter to transition from 153 to 253?	There is no formal process for programs to transition from 153 to 253. The webinar's purpose was to communicate the timeline and content changes.
