*Signature*

## **Outstanding Senior Honors Thesis Award**

The Honors College gives recognition to select students who have completed an outstanding Senior Honors Thesis. All majors are eligible for consideration. One purpose is to showcase the variety of work completed in the thesis program.

*If you would like to nominate this student for an Outstanding Senior Honors Thesis Award, please send an email to Rikki Bettinger ([rrbettin@central.uh.edu](mailto:rrbettin@central.uh.edu)) with a description of the research or creative project and its significance. In your nomination, please highlight the question or problem the thesis addresses, as well as its relative difficulty and its relative achievement. The language of nomination should be in layman's terms insofar as possible. Should the thesis be selected, we will draw on your description when recognizing the students at The Honors College Graduation Banquet. **Nominations are due by the last day of classes of the spring regular session** in accordance with the UH Academic Calendar.*
