

Change in Primary Assigned UIT Resources Application

Purpose: This application is to be used by UH Faculty Staff and Students who require a change in his/her Primary UIT resources. All University of Houston customers receive a primary **CougarNet UserID** for the purpose of supporting instructional, research, administrative and University business related activities. The standard naming convention is used to automatically create these resources.

Form Updated: April 2, 2026

UH Employee/Student Information

I am a Current Employee Currently enrolled student Retired Faculty

MyUH ID First Name Last Name

E-mail Phone

Current UserID:

Option A

- I wish to change my primary assigned UIT resources because my last name has changed. You must have completed the update of your name change within the PeopleSoft system.
