

**UNIVERSITY OF HOUSTON SYSTEM
COLLEGE OF MEDICINE**

SUBJECT: Faculty Appointment Policy

Purpose

To provide University of Houston College of Medicine (UHCM) leadership and faculty guidelines and structure surrounding the process of internal faculty appointments.

Background

All titled faculty members of the University of Houston College of Medicine (UHCM) must maintain a faculty appointment within one of the departments. At the faculty member's request, and with the Chair's approval, appointment to two (2.0) departments may be officially processed. Additional appointments may be processed internally with the Chair's approval but will not be recognized by the University of Houston.

Policy

This policy is relevant to all faculty regardless of specialty area; and includes tenured, tenure-track, and non-tenure track individuals. This policy also pertains to voluntary clinical faculty and preceptors, who are integral facets of the UHCM educational program and mission.
