

CONTINUING MEDICAL EDUCATION POLICIES: Accreditation Statements

Accreditation Statements

Background

The ACCME requires that the accreditation statement must appear on continuing medical education (CME) activity materials and brochures distributed by accredited organizations, except that the accreditation statement does not need to be included on initial, save-the-date type activity announcements. Such announcements contain only general, preliminary information about the activity such as the date, location, and title. If more specific information is included, such as faculty and objectives, the accreditation statement must be included.
