# Research Security

In 2023, the Division of Research launched a major initiative to communicate new research security requirements for researchers.

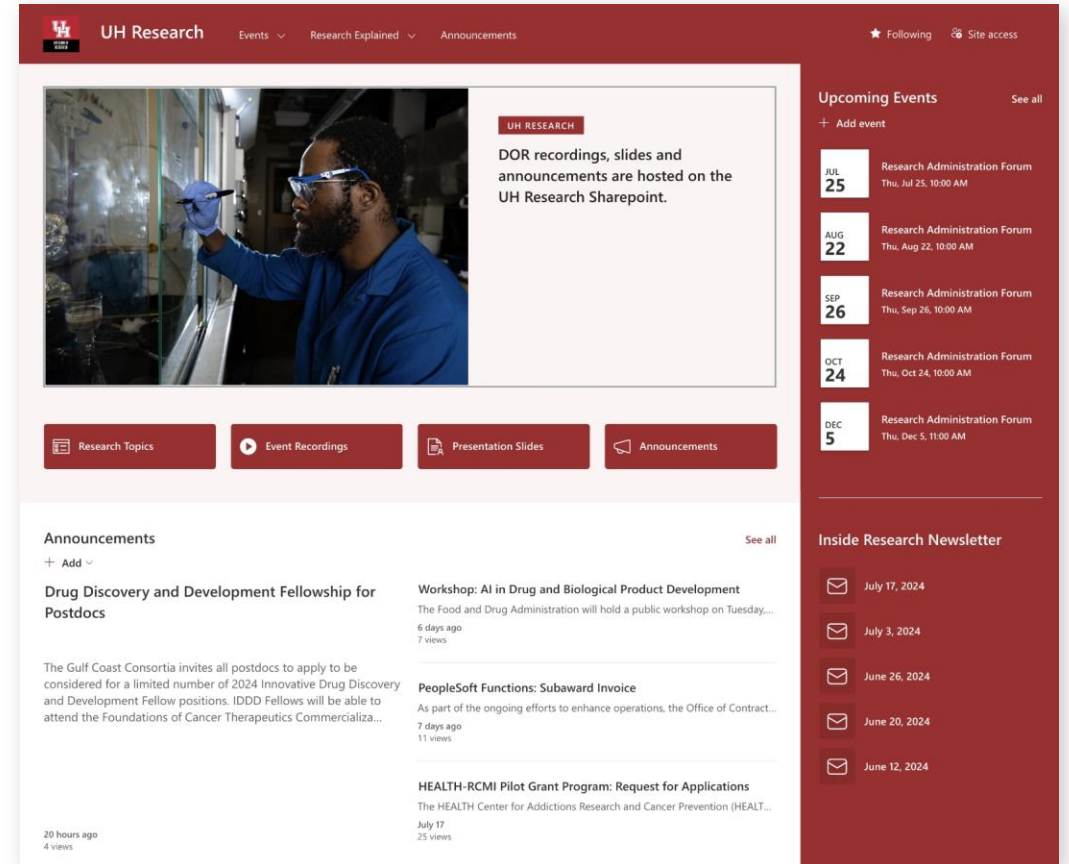

- DOR has published content across nine areas covering Digital Persistent Identifiers, Malign Foreign Talent Recruitment Programs, IT and data management, international travel, and export control
- Research Security landing page on the UH Research website generated close to 2,000 views

# UH Research SharePoint Site

In 2023, the Division of Research launched a comprehensive resource hub for all event recordings, announcements, archived newsletters and other resources. The site currently houses over two dozen hours of recorded sessions.

Accessible to all UH main campus users, the site has received over 10,000 visits since it was launched.

# TO SERVE

the research community, grad students, keeping us compliant, satisfying client requirements, protecting our intellectual and financial interests

# TO LEAD

managing the conversations, institutional research priorities, leading the implementation, supporting the broader view of individual and small-group research
