Description, Rationale and Alignment:

WellFest is a signature wellness event designed to foster holistic student well-being through interactive programming, campus partnerships, and resource awareness. Funding for WellFest will support our commitment to collaborative engagement across DSA and student success departments, including, ensuring a unified approach to student wellness. This initiative directly supports our strategic priority of retaining FTIC students by connecting them early to essential health and wellness resources, building community, and promoting proactive self-care. By creating a vibrant, inclusive space for wellness education, WellFest contributes to a culture of care that supports student retention and success.
