EDUCATION – Overview

1979 - 1983 **Ph.D.**, Human Services – Counseling Psychology Cognate, College of Education
The Ohio State University, Columbus, Ohio.
Ph.D. Thesis: Occupational Stress, Strain and Coping Among Family
Physicians Training and Teaching in Military and Civilian Settings.

1969 - 1971 **M.S.W.**, Master’s in Social Work
Florida State University, Tallahassee, Florida.
MSW Thesis: Factors Differentiating Successful & Unsuccessful Juvenile
Delinquents in After Care.

1964 - 1969 **B.S.**, Social Welfare, Florida State University, Tallahassee, Florida

Fellowships: Two Post-Graduate Academic & Clinically Oriented Fellowships completed.

(1) Social Work Fellowship in Child and Family Therapy (full time) -- 1973-1975

Sponsored by the US Army & Walter Reed Army Medical Center, Washington, D.C.
(Fellowship became a Ph.D. granting program with Catholic University in 1976)

Supervised clinical training was focused on marital & family therapy, child and adolescent therapy, school & community consultation. This was an integrated Fellowship with a Child Psychiatry Residency & Psychology Internship program. The two year full time Fellowship “Program of Instruction” is available upon request.

(2) Interdisciplinary Faculty Development Program in Substance Abuse Education -- 2001-2003

(20% to 40% part time fellowship for each of two years)

Sponsored by HRSA, AMERSA, & SAMHSA/CSAT (Health Resources & Services Administration; Association for Medical Education & Research in Substance Abuse; Substance Abuse & Mental Health Services Administration / Center for Substance Abuse Treatment). This federally sponsored and funded Fellowship program focused not only upon improving the delivery of substance abuse clinical services, but also curriculum development, research and educational delivery of modules for improving substance abuse clinical services. Program of Instruction available upon request.

TEACHING EXPERIENCE

1/12 – present Professor Emeritus Faculty (in process), University of Houston, Texas
Graduate College of Social Work

9/00 – 12/12 Associate Professor (tenured), University of Houston, Texas
Graduate College of Social Work

2/93 to 7/00 University of North Carolina at Chapel Hill, NC
Clinical Assistant Professor (not a tenure track appointment)

- 2/93 – 10/98 Director of Behavioral Sciences Education & Clinical Director Mental Health Svcs
Department of Family Medicine, College of Medicine
- 9/93 – 10/98 Field Instructor, UNC- CH School of Social Work
- 1/96 – 7/00 Joint Appointment - Clinical Assistant Professor, UNC-CH Dept of Psychiatry
- 10/77 to 2/93 The Ohio State University, Columbus, Ohio
Department of Family Medicine, College of Medicine (not a tenure track appointment)
- 10/85 - 1/93 (a) Director of Behavioral Sciences Education – Clinical Instructor Staff position
(b) Director of Family Medicine Psychological Services- Clinical Staff position
- 10/77 – 9/83 (a) Clinical Social Worker & Clinical Instructor
- 9/80 - 6/89 Adjunct Clinical Faculty & Field Instructor, College of Social Work, Ohio State University.
- 6/70 to 10/77 US Army Active Military Duty as Social Work Officer
- 9/76 - 9/77 Clinical Field Instructor, School of Social Work, University of Georgia, Athens, Georgia
- 6/75 - 9/77 Behavioral Science Coordinator, Family Practice Residency Program,
Eisenhower Army Medical Center, Ft. Gordon, Georgia
- 9/74 - 4/75 Family Therapy Course Co-instructor & Parent Effectiveness Course Instructor,
Concurrent with Fellowship in Child and Family Therapy,
Walter Reed Army Medical Center, Washington DC
- 9/72 - 5/73 Clinical Field Instructor, School of Social Welfare, University of Kansas, Lawrence, Kansas

(Please review Work Experience Addendum Pages for Job descriptions & Functions – separate attachment)

OTHER PROFESSIONAL CLINICAL EXPERIENCE

- 5/05 - 11/08 Therapist & Trainer at The Interfaith Counseling & EAC Center, The Woodlands, Texas
(Part-time provision of clinical services – Individual, Couples, Family Therapy)
- 1/83 - 2/93 Dale Alexander, PhD & Associates, Private Practice Columbus, Ohio. (Part-time)
- 12/90 - 5/91 LOA from Ohio State University - Ordered to active military duty during Persian Gulf War,
Faculty Academy of Health Sciences- Behavioral Science/Social Work Section,
Health Service Command, Ft. Sam Houston, Texas.
- 9/84 - 9/86 Consultant (Part-time) - Instructor, North American Nannies, Inc., Columbus, Ohio
- 6/75 - 9/77 Behavioral Science Coordinator & Clinician, Family Practice Residency Program,
Eisenhower Army Medical Center, Ft. Gordon, Georgia
- 7/73 - 5/75 Social Work Fellowship in Child and Family Therapy, (Full-time)
Walter Reed Army Medical Center, Washington, D.C.
- 9/71 - 6/73 Social Work Officer, Mental Hygiene Directorate, (Full-time)
U.S. Military Disciplinary Barracks, Ft. Leavenworth, Kansas.
- 6/71 - 9/71 Commissioned a Captain in the U.S. Army Medical Service Corps, (Full-time)
MSC Officers Basic School, Fort Sam Houston, Texas.
- 3/71 - 6/71 Assistant Legislative Lobbyist, (Full-time)
Florida Council of National Association of Social Workers, Tallahassee, Florida
- 6/70 Commissioned 2nd Lt, USAR, after Basic Infantry Training at Ft. Benning & Ft. Bragg

Graduate School Deferment at Florida State University granted until 6/71.

CERTIFICATIONS, LICENSURE AND PROFESSIONAL ORGANIZATIONS

Licensed Advanced Clinical Practitioner, Texas Social Work License # 35147 [active]
Licensed Ohio Psychologist (License #3627) [active 1985 to present]
Council on Social Work Education (inactive)
American Association of Marital and Family Therapists (Clinical Member # 140, inactive)
Licensed Clinical Social Worker (North Carolina # C002185) [inactive-relocated]

Council on Social Work Education
Academy of Certified Social Workers (ACSW-1976) [inactive]
Society of Teachers of Family Medicine [inactive]
American Psychological Association (Member # 1829-2994 - inactive)
American Psychological Association: Div. 17 Counseling Psychology
Div. 19 Military Psychology & Div. 38 Health Psychology
Div. 43 Family Psychology & Div. 50 Addictions

PROFESSIONAL SERVICE

Service to the Graduate College of Social Work and University of Houston

Course Teaching: Two courses taught each semester in various forms: “Clinical Applications of the DSM” and “Trans-theoretical Models for Clinical Practice. Other courses have included “Individual, Family and Group Social Work Practice,” and a “Co-Occurring Disorders Research” as a two semester grant pilot course.

GSSW Committees and Service: [please see attached sheet for a full listing of service activities]

Since 2001, various appointed and elected GCSW committees’ including: Faculty Search Committees, Clinical Faculty Promotions Committee Chair, Merit Committee, CSWE Site Visit Evaluation Committee, MSW Admissions Committee, GCSW and MSW Curriculum Committees, Curriculum Revision Committee, Field Practicum Committee, Mental Health Concentration Chair, and the Chair of Concentrations Committees, Evaluation Committee, Technology Committee. Additional service activities include: Field Liaison visits with numerous community agencies and students and formal student advising.

University of Houston Committees:

1. UH Committee for the Protection of Human Subjects (2004-2010; Chair 2008-10)
2. UH Research Council (2005-2008)
3. Faculty Senate (2006-2008)
4. UH Substance Abuse Advisory Board (2003-2009) –reviewed prevention and education needs and provided policy recommendations to the VP of Student Affairs regarding substance abuse prevention.

Service to the Profession / Academic Discipline

2001-present Editorial Review Board Member – Journal of Social Work Practice in the Addictions

Department of Defense, Congressionally Mandated Grants -- Panel Chair & Reviewer - 1998-2006; 2008.

Chair of 5 Grant Review Panels & reviewer for 9 panels, evaluating scientific merit of proposals.

Each competitive proposal reviewed may be for a maximum budget of \$4 million for 4 years.

Journal Manuscript or Conference Abstracts Reviewer

2008-present Manuscript reviewer for Addictive Behaviors, Drug & Alcohol Dependence,

	& other journals
2002-2003	Association for Medical Education& Research in Substance Abuse Conferences
1993-1996	Military Psychology
1992, 1994-1999	Family Medicine
1994 – 2000	Society of Teachers in Family Medicine Conferences
1984	National Association for Primary Care Research Group Conference

Service to the Community of Houston

Board of Directors, Greater Houston Area Health Education Consortium. (2003-2006)

University of Texas Health Science Center, Interdisciplinary Team Competition Planning Committee.

Over 400 students participated in this interdisciplinary approach to health care team competition since 1992. Member of the planning & judging committee June 2003-2004.

Research Advisory Committee for the COUNCIL Alcohol and Drugs, Houston

From June 2001 thru 2005.

GRANTS Funded:

1. PI: Luis Torres, Ph.D., Co-PI: Dale Alexander, Ph.D Grant Title: Transtheoretical Clinical Research and Practice with Substance Use and Co-Occurring Mental Disorders: A Multi-Disciplinary, Multi-Level Approach. UH QEP awarded for \$9800 in 2009 thru 2010. Development and delivery of Multi-Disciplinary and Multi-Level student research oriented curriculum two semester course.

2. PI: Dale Alexander, Ph.D. & Co-PI Patrick Leung, Ph.D. UH Grants to Enhance and Advance Research (GEAR) for \$25,000 in June 2007-2008.

GEAR Grant Title: “Psychometric evaluation of a new, cannabis use disorders specific screen (the DSM-G-MI) and pilot implementation of cannabis screening within a suburban outpatient counseling clinic.”

Overall Project Title: Screening for Co-Occurring Disorders: Evaluating Standardized Screening Implementation in a Suburban Counseling Center.

Archival data collection on n=153 and n=1344 subjects with multiple measures in two community agencies was completed in January 2009 with data clean up and variable completion thru 2010. Data analyses focuses upon psychometric validation of a cannabis diagnostic screen (DSM-G-CS) and pre-post screening for Co-Occurring Disorders in one agency. Data sub-sets are continuing to undergo analyses. Two manuscripts have been written for submission. Three other studies analyzing this data are underway. This project will yield multiple publications and submissions in the next three years.

3. Co-PI's, Dale Alexander, Ph.D.; Katy McQueen, MD & Vicki Waters, PA-C of Baylor College of Medicine. Houston Interdisciplinary Fellowship Group, Proposal for Substance Abuse Curriculum Field and Community Research Project Development. HRSA- AMERSA - SAMHSA / CSAT / Project Mainstream Faculty Development Program: Interdisciplinary Faculty Development Fellowship for Substance Abuse Curriculum Development and Research. Grant proposal submitted January 9, 2001 to fund one Houston Interdisciplinary Fellowship. The grant requirements and support were for interdisciplinary faculty development, curriculum development, interdisciplinary teaching, educational and community project development, research development activities, and regional and national presentations. The Houston group proposal was funded for two years, from June 2001 through June 2003. Baylor was funded separately. Total funding to the University of Houston and GSSW was \$39,491.

4. PI: Dale Alexander, Ph.D. Expanding Videotape Resources and Technology for Social Work Curriculum Enhancement. University of Houston Faculty Development Technology Initiative Grants Program. Submitted 11/30/2000. One year – 2001-2002. Funded for \$4,000.
5. PI: Dale Alexander, Ph.D. A Pilot Study to Assess the Psychometric Properties of a Marijuana Screening Inventory. University of Houston New Faculty Research Program Grants. Submitted 10/11/2000. One year 2001-2002. Funded for \$6,000.
6. PI, Dale Alexander, Ph.D., Co-PI, Pat Jonas, M.D., An Empirical Assessment of Occupational Stress and Coping in Family Medicine Residency Training, Teaching and Practice. Funding source, The Ohio Academy of Family Physicians. Submitted 4/2/82. One year – 1982-1983. Total Funding of \$6,261.

PUBLICATIONS

Manuscripts in preparation:

Alexander, D. & Leung, P. (2012) manuscripts in preparation:

1. Marijuana Screening Inventory (MSI) Psychometrics with the Proposed DSM-5 Diagnostic Model (to be submitted to Journal of Substance Abuse Treatment)
2. Cannabis Disorder Diagnosis by DSM IV-TR Categorical and DSM-5 Continuum Criteria: Comparisons Using DSM Guided Cannabis Screen (DSM-G-CS) with a Clinical Sample
3. Marijuana Screening Inventory (MSI) Psychometrics with a Mental Health Outpatient Clinical Sample: A Replication Study (Replication study with new n=798)
4. The Prevalence of Cannabis Disorders in an Outpatient Mental Health Clinic: Clinician Diagnosis versus Screening Detection
5. Cannabis Disorder Co-Occurrence with Other DSM IV-TR disorders in a Mental Health Outpatient Setting. [n=798 matched subjects]
6. Correlations between the Marijuana Screening Inventory (MSI) and Beck Anxiety and Depression Inventories: Are Anxiety and Depression Related to Cannabis Disorder Risks?
7. The Problem with Adjustment Disorders diagnostic category in real practice: What Qualitative Reasons and Quantitative Data Reveal.

[A summary of additional research or manuscript drafts underway is available upon request.]

Teaching Video Tapes Produced, Directed &/or Edited for Teaching Purposes

1. Dale Alexander, Ph.D. Produced and Edited. "Family Blood or Blood Sugars? Family Conference and Genogram Interviews with Diabetic 'suicidal' patient and spouse." Various edited formats of 15 minutes, 30 minutes, 1 hour and 2 hours. Teaching UNC DFM Principles Conference 1996 and Medical Student Clerkship teaching purposes 1996-2000. Adapted for GSSW mental health and psychopathology classes, to demonstrate genogram interviewing methods and psycho-physiological disorders, 2000 to present.

2. Alexander, Ph.D. conjoint patient interview with Vincent Koweki, MD "Interview with a Somatic Patient (Barbra B.): Which Model of Depression Fits?", 1 hour interview or edited to 20-30 minutes. Family Medicine Residents Behavioral Medicine teaching about Somatization and 10 models of depression, from 1985 to 2000. Adapted for GSSW mental health and psychopathology classes 2000 to present.

3. Alexander, Ph.D. Produced, directed, & role play with Bob Gwyther, M.D. "Family Physician Interviews Male Patient who Drinks: Demonstration of CAGE Screen & Assessment methods." 35 min video demonstrating role play with "skilled" Family Physician interviewing a simulated male patient who drinks, to demonstrate the CAGE screen, motivational interviewing methods, & the "Alcohol Intervention Performance Evaluation-APIE." For residents and other students during monthly UNC Behavioral Medicine Block Rotations, 1995 to 2000. Adapted for GSSW psychopathology and mental health classes 2000 to present.

4. Alexander, Ph.D. Edited. "Un-Planned Family Conference Encounters in the Family Practice Center: Patient Care Vignettes Across the Family Life Cycle." One-hour video composed of 5 patient/family vignettes of physician encounters ranging from 7 minutes to 29 minutes. Used for UNC Medical Student Clerkship presentations from 1996 to 2000; Behavioral Medicine Family Clinic Rotation, 1996-2000; Adapted for GSSW mental health and psychopathology classes 2000 to present.

5. Alexander, Ph.D. Produced & Directed. Boundary Dilemmas' in the Doctor Patient Relationship Contributing to Erotic Undercurrents. Role plays of 11 vignettes, 19 scenes for total time of 15:52 min; used for UNC Dept of Family Medicine (DFM) Grand Rounds from 1995 to 2000, a national Society of Teachers of Family Medicine Conference presentation & other regional and local presentations thru 2000.

6. Alexander, Ph.D. Edited, with Mike Fisher, M.D. "Applying the Principles of the "15 Minute Hour" to a Pregnant Patient's Individual & Family Systems' Issue." 30 min multipurpose videotape demonstrating application of "The 15 Minute-Hour" "BATHE" Counseling techniques; Level 4 Involvement: Basic Psychosocial Intervention, Brief individual/family counseling with Patient about couples issue and her dilemmas with asserting her needs for support.

7. Alexander, Ph.D. edited, with Dr's Kellums & Wroth "Patient Drug Seeking Behavior: Manipulation of two residents -- 1st encounter & 12th encounter: Lessons to be Learned." Two vignettes totaling 55 minutes. UNC Resident & Intern Substance Abuse Seminars Sept 1996 to 2000. Social Work Adaptable.

8. Alexander, Ph.D. edited. Planned Family Conferences Series Videotapes, Live interviews by Family Medicine Residents and Un-Planned Family Oriented Primary Care interviews during Continuity Clinics by Family Physician Faculty, presentations at the "FAMILY CLINIC." Edited for use in teaching about the "Family" in Family Medicine Conferences. Tapes compiled with commentary, July 1996 through 1998.

9. Alexander, Ph.D. Produced, directed, studio edited, with Jack Cramer, D.O. "Training Family Physicians in Family Assessment." Demonstration of a two hour Family Assessment Training Module for Family Physicians with two live Families; a white single mother and four children; and a two parent nuclear African American family with two children. A four hour demonstration of two pre-interview coaching & planning sessions; two interviews by a Family Physician Resident; and two post-interview de-briefing sessions. These videos were made in the OSU Audio Visual Dept studio, which produced two 3/4 inch tapes, re-mastered onto VHS format in 1986. Used for national presentations in 1978 and training OSU residents and medical students from 1978 through 1990.

Magazine or Media Contributions [partial list]

"Health Connections: Patient-Doctor Boundaries." 1 hour NC Public Television Cable TV show, (statewide audience) with George Barrett, M.D. & Barbara Schneidman, M.D.; Raleigh, NC; July 17, 1997.

"Don't Repress Your Stress." Re-interviewed and contributed written materials to revised article by Dan Bencivenga in The Orthopedic Resident, Nov/Dec, pp 10-13, 1994.

"Feeling Stressed ? Don't Repress it!" Interview and written materials for article in, The Anesthesiology Resident, July/August, pp 41-45, 1993.

NATIONAL AND STATE PRESENTATIONS (partial list of solo or collaborative presentations)

Cannabis Disorder Screening and Assessment for DSM IV-TR and Getting Ready for DSM-5. Invited speaker at 37th Annual Conference of Texas Addiction Specialists, Houston Texas Oct 1, 2010.

Hookahs to Bongs: The Marijuana Debate. Invited speaker Dialogues of Civilization Conference sponsored by the Gullen Institute. Turkish Cultural Center, Houston Texas, Jan 23, 2010.

Marijuana Diagnostic Dilemmas: Improving Diagnostic Accuracy Using Marijuana Screens. Invited speaker at 36th Annual Conference of Texas Addiction Specialists, Houston Texas Oct 2, 2009.

Teaching Clinical Screening: From Beer to Bongs - with a focus on Cannabis. CSWE APM, Philadelphia PA, Oct 31, 2008.

Research Trends in Supporting Military Troops and Families. GCSW Alumni Association Yearly Meeting, Houston, Texas, July 16, 2005.

The Marijuana Screening Inventory (MSI-X): Psychometric Data from Two Samples. CSWE APM, NYC Feb 28, 2005.

The Brief Substance Abuse Attitudes Scale (B-SAAS): Preliminary psychometrics and scale comparisons between Experienced Clinicians and Inexperienced Medicine Interns, MSW and PA students. Accepted for

presentation at AMERSA (Association for Medical Education and Research in Substance Abuse) National Conference, Washington DC, Nov 12, 2004.

The Marijuana Screening Inventory (MSI-X) Reliability, Factor Structure, and Scoring Criterion with a Clinical Sample. Accepted for presentation at AMERSA (Association for Medical Education and Research in Substance Abuse) National Conference, Baltimore, MD, Nov 8, 2003.

Project Mainstream: A Multi-disciplinary Fellowship in Substance Abuse. Invited participant by Dr. Wanser, TCADA Executive Director. Texas Commission on Alcohol and Drug Abuse (TCADA) Annual State Institute, 1.5 hour panel presentation. 22 Attendees. July 23, 2003.

Project Mainstream: A Multi-disciplinary Fellowship in Substance Abuse. Invited participant by Dr. Wanser, TCADA Executive Director Texas Commission on Alcohol and Drug Abuse (TCADA). Best Practices Conference, 1.5 hour panel presentation. Feb. 20, 2003.

Substance Use Disorders Learning Objectives: What's Important with an Interdisciplinary Sample? Vicki Waters, MS, PA-C, Katie McQueen, MD and Dale Alexander, Ph.D. Scientific Research Presentation AMERSA (Association for Medical Education and Research in Substance Abuse) National Conference, Washington DC; November 7, 2002.

Uncovering Substance Use and Facilitating Change. Dale Alexander Ph.D. with Katie McQueen, MD and Vicki Waters MS, PA-C, Invited Presentation, Friday Forum 8 hour workshop, (Approximately 35 participants) Council on Alcohol and Drugs Houston, June 21, 2002.

Developing and Testing a Comprehensive Set of Substance Use Disorder Learning Objectives. Vicki Waters, MS, PA-C, Katie McQueen, MD and Dale Alexander, Ph.D. Poster Session: American Academy of Physicians Assistants, Boston, Mass. May 25-30, 2002.

A Marijuana Screening Inventory: Preliminary Psychometric Properties. (Approximately 20 participants) Scientific Research Presentation AMERSA (Association for Medical Education and Research in Substance Abuse) National Conference, Alexandria, VA; November 10, 2001.

When the Presenting Problem is NOT "Pot": Using a Marijuana Screening Inventory in Patient Assessment and Brief Therapy. Poster Presentation at AMERSA (Association for Medical Education and Research in Substance Abuse) National Conference, Alexandria, VA; November 9, 2001.

Invited Presenter, NIAAA (Nat'l Institute on Alcohol Abuse & Alcoholism) Faculty Development and Training Workshop, Social Work Education for the Prevention and Treatment of Alcohol Use Disorders. Module 1 "*Epidemiology of Alcohol Abuse and Dependence*". (Approximately 35 participants). This presentation was a modified content / added slides for this "roll out" preview of an NIAAA "Pilot" curriculum for Schools of Social Work contract module by Dr. Hesselbrock. November 15, 2001.

Something Old, Something New, Something Borrowed and Something Blue: Project Mainstream Update. Dale Alexander Ph.D., Katie McQueen, MD and Vicki Waters MS, PA-C, National AMERSA Fellowship Meeting, Grant Development Reports. (35 participants) Alexandria, VA; November 11, 2001.

"Teacher Comfort in Teaching Human Sexuality" Dale Alexander, Ph.D with Margaret Nausbaum, D.O.,M.P.H. . (Approximately 30 participants) 1.5 hr Seminar, 32 STFM Annual Spring Conference, Seattle WA, April 29, 1999.

"Using the Family of Origin Scale as a Teaching Tool for Promoting Professional Self Awareness regarding Clinical Care." Dale Alexander, Ph.D. (Approximately 40 participants) 1.5 hr Lecture / Discussion at STFM 19th Annual Conference on Families and Health, Kiawah Island, SC; March 4, 1999

"Boundary Dilemmas' and Erotic Undercurrents in the Doctor Patient Relationship." Dale Alexander, Ph.D. with Margaret Nausbaum, D.O.,M.P.H. (Approximately 50 attendees), Southeast Regional Osteopathic Society Annual Spring Conference, Grovepark Inn, Ashville, NC; Sept 5, 1997.

"Teaching About Boundary Dilemmas' and Erotic Undercurrents in the Doctor/Patient Relationship," Dale Alexander, Ph.D & Margaret Nusbaum, D.O.,M.P.H. (Approximately 50 attendees) Seminar at 30th Society of Teachers of Family Medicine Annual Spring Conference, . Boston, Mass. May 4, 1997.

"Teaching Human Sexuality: Patient, Personal and Family of Origin influences on Teacher COMFORT." Margaret Nusbaum, DO, MPH & Dale Alexander, Ph.D.; (25 participants) Seminar and Group Exercises, Wildacres Fall UNC Dept of Family Medicine Annual Retreat, Oct, 6, 1996.

"Work Stress Assessment, Intervention & Prevention with the Occupational Stress Inventory (OSI)", Dale Alexander, Ph.D., David Mangelsdorff, Ph.D., Sam Osipow, Ph.D., Arnie Spokane, Ph.D.; (Approximately 75 attendees), Seminar at Work, Stress and Health '95: Creating Healthier Workplaces Washington, D.C., September 14, 1995.

"Evaluating and Integrated Curriculum for Teaching Interviewing and Physical Diagnosis Using Patient Centered Model." Melanie Mintzer, MD, Vickie Kowlowitz, MD, Donald Kollisch, MD, Pamela York Frasier, MA, MSPH, Adam Goldstein, MD, Dale Alexander, Ph.D.; Peer Paper – 1995, Predoctoral Education Conference, Charleston, SC; January 26-29, 1995.

"Coping with the Stress of Individual & Organizational Change" Workshop & Consultation with 20 participants from the UNC Ashville MAHEC Family Medicine Department Faculty. Dec 7, 1994.

"A Workshop Method for Promoting Resident COPING with the Stresses and Strains of Residency Training". Dale Alexander, Ph.D.; (Approximately 30 attendees) Workshop at 27th Annual Society of Teacher of Family Medicine Conference, Atlanta, Georgia; May 1, 1994.

"Psychological Distress in Army Reserve Units After Operation Desert Shield/Storm." Dale Alexander, Ph.D. and David Mangelsdorff, Ph.D.: (Approx 20 attendees) 1993 American Psychological Association Annual Convention, Toronto, Canada; August 20, 1993.

"Cohesion in Army Reserve Units After Operation Desert Storm." David Mangelsdorff, Ph.D.and Dale Alexander, Ph.D.: (Approx 20 attendees) 1993 American Psychological Association Annual Convention, Toronto, Canada; August 20, 1993.
