

Job Title	Outpatient Licensed Therapist - PRN
Employer/ Agency	Cypress Creek Hospital (UHS)
Job Description	Cypress Creek Hospital is a free-standing 128-bed, acute care psychiatric hospital located in north Houston, TX, and minutes south of The Woodlands. Cypress Creek Hospital features individual units for adolescents and adults and offers inpatient acute care, partial hospitalization, and intensive outpatient programs. On average, over 10,000 patients receive care from our compassionate health care team each year at Cypress Creek Hospital. We are comprised of a tenured dedicated team of Psychiatrists, Nurses, Social Workers, Mental Health Technicians and Support Staff where delivering compassionate care is our mission. To learn more about Cypress Creek Hospital visit our website at: www.cypresscreekhospital.com. We currently have an opportunity for an Outpatient PRN Therapist. Position Summary Therapists are key members of Cypress Creek Hospital's multidisciplinary team ensuring that delivery of high-quality and cost-effective healthcare is consistent with the mission, vision, and values of Universal Health Services and in accordance with government regulation, licensing, and accreditation requirements. Hours are based on departmental, and facility needs and may include day, evening, and weekend hours, as directed by the Intake Director or CEO/Managing Director. Job Duties: • Complete Psychosocial Assessments, treatment plan reviews, individual, group and family therapy sessions with established timeframes either face to face or telephonically with all patients, family, and significant others. • Collaborates with multi-disciplinary team including physicians, RNs, and other healthcare team members in crisis intervention, creating behavioral plans, case conferences, client centered interventions and discharge planning. • Conducts assigned therapeutic groups. Provides comprehensive education, instructions, advocacy information designed to assist the patient and significant other to identify and secure needed health care follow-up services.
Qualifications	• Master's degree in Social Work, Psychology or related field. Master's in Social Work preferred. • Current licensure as an LPC, LCSW or LMSW in Texas. LCSW or LMSW preferred. • One year of clinical experience in an inpatient psychiatric setting preferred.

Salary/Hours	This is a PRN position for outpatient group therapy that will be 3x/week. The job location is at the satellite office called Cypress Creek Branches NW Houston.
