

SOCIAL WORK FELLOWSHIP

24 MONTH
Program

JACKSONVILLE
Florida Campus

PROGRAM DESCRIPTION

Mayo Clinic School of Health Sciences (MCSHS) at Mayo Clinic's campus in Jacksonville, Florida, offers a 24 month full-time Social Work Fellowship program. The fellowship program will include 3-6 months of clinical rotations in Transplant, Cancer Center, Transplant Inpatient, Palliative, Neuroscience, Advance Care Planning, Research and other clinical areas. The fellow will participate in all facets of clinical social work including but not limited to direct patient biopsychosocial evaluations, documentation, support groups, selection conferences, care team rounds and section staff meetings. Mayo Clinic focuses on multidisciplinary collaboration in meeting the needs of the patient. This program will offer a stipend and medical benefits.

SOCIAL WORK FELLOWSHIP

QUALIFICATIONS:

Each year, the Section of Social Work will admit one fellow to the Social Work Fellowship program. The fellowship will begin on the first Monday after Labor Day. Applications are accepted May 1-June 1. The candidate must graduate by May 31st.

Requirements for the fellowship are:

- Master of Social Work (MSW) or Master of Science in Social Administration (MSSA) degree from an accredited social work program
- Fellowship Written Examination
- Resume
- Letters of recommendation
- Official transcripts of their graduate program
- The candidate must register and be approved for their Registered Clinical Social Work Intern (RCSWI) prior to starting in September.

Candidates may be invited for an interview and if offered placement, a fellowship contract will be signed.

CURRICULUM:

MCSHS Social Work Fellowship program provides a high-quality didactic and clinical experience. There is exposure to a diverse patient population as well as highly proficient clinical staff at Mayo Clinic in Florida. Weekly clinical supervision will be provided to meet requirements for Florida licensure.

CLINICAL ROTATIONS:

During the 24 month program, the fellow will spend 3-6 months in all social work clinical areas on the Florida campus. The fellow will have task supervisors or Qualified Supervisors as preceptors. All supervisors are Licensed Clinical Social Workers (LCSW).

LICENSURE:

This program will provide the fellow with:

- Two years of a variety of specialty clinical experience at Mayo Clinic
- Two years of clinical supervision to prepare for examination for licensure in the State of Florida.

MAYO CLINIC

The Section of Social Work continues to work with multiple colleges and universities to offer MSW clinical internships. Our multi-disciplinary group practice focuses on providing high quality, compassionate medical care. Mayo Clinic is the largest integrated, not-for-profit medical group practice in the world with over 65,000 employees working in a unique environment that brings together the best in patient care, groundbreaking research and innovative medical education. At Mayo Clinic, you will discover a culture of teamwork, professionalism and mutual respect – and most importantly, a life-changing experience.
