

Job Title	Clinical Therapist, Child & Family Specialist
Employer/ Agency	Bellaire Family Counseling Why Work at Bellaire Family Counseling? At Bellaire Family Counseling, we offer more than just a job—we provide a supportive, values-driven professional home where you can grow and make a meaningful impact. Our team is committed to: • Fostering a collaborative and supportive work culture • Empowering clinicians to provide exceptional care • Living our core values in our daily interactions • Supporting professional growth and development We offer: • Health insurance for eligible full time employees • 401(K) retirement plan • Flexible scheduling options • Annual staff events to foster connection • Professional development opportunities • Competitive compensation aligned with experience
Job Description	The Clinical Therapist, Child & Family Specialist will provide outpatient, individual, and/or group therapy to clients of Bellaire Family Counseling. Clinical therapy services may include treatment of children, adolescents, families, and/or adults. We currently encourage applicants who have expertise working with children and adolescents. Job Duties and Responsibilities: • Provide clinical counseling services to clients of Bellaire Family Counseling in accordance with company policies, procedures, and clinical standards. • Maintain active licensure and comply with all applicable laws, rules, regulations, and professional codes of ethics governing the provision of clinical services. • Complete timely, accurate, and thorough clinical documentation for each client. • Charge and collect payment from clients for services provided, consistent with established practice policies and fee schedules. • Respond to client communications within 24 hours during business days, whether via phone, voicemail, email, or the electronic health record. • Attend required staff meetings, trainings, and professional development activities. • Conduct interactions with clients, colleagues, and members of the community in a professional and respectful manner that reflects the values and reputation of Bellaire Family Counseling. • Participate in structured internal collaboration and case staffing as a core component of clinical care. • Collaborate with other professional care providers to support coordinated client care. • Support client engagement and treatment progress through proactive scheduling and calendar management. • Engage in ongoing specialty development aligned with practice needs. • Participate in community outreach and engagement activities in support of the practice's mission and values. • Engage in appropriate clinical consultation to support client safety, ethical practice, and high-quality care, in accordance with practice policies. • Contribute to the development of educational resources for the practice's online

	learning platform, including courses, workshops, webinars, written materials, and other digital content. • Perform other duties consistent with the role and scope of a Clinical Therapist within the practice.
Qualifications	Minimum Qualification Requirements: • Master's Degree or Doctoral Degree in counseling, marriage and family therapy, psychology, or social work. • Active license (Fully or provisionally licensed as PhD, PsyD, LCSW, LMFT or LPC) in the state of Texas and any other states in which the individual provides clinical services. A copy must be provided to Bellaire Family Counseling. • Have, or be willing to develop, expertise and specialization in working with children, adolescents, and families. Preferred Qualifications: • Expertise working with children is strongly preferred • Registered Play Therapist (RPT) Credentials strongly considered • Advanced, direct training in play therapy, adolescent mental health, and family systems • Strong understanding of early childhood developmental psychology
Salary/Hours	Competitive compensation aligned with experience
